***Notes:***

1. Limited registration materials for SAT I and SAT Subject tests will be available in the Career Center in September.
2. It is highly recommended by the College Board to register online @ [www.collegeboard.com](http://www.collegeboard.com)
3. "Walk-in" Policy. Students who have not registered prior to the deadline for SAT I or SAT Subject tests may be accommodated on test dates provided:
  - a. The test center has enough booklets
  - b. The student brings a completed registration form
  - c. The student pays the basic fee and the additional \$43.00 walk-in fee

**Please call test center before test date to determine if walk-ins are accepted**

*Financial Aid*

The CSS Profile will be available to students and parents from the Counseling or Career center early in the fall; and the FAFSA will be available online in December.

Processing of one or both of these forms determines the family's need for funds from aid sources.

Contact your counselor if you have problems, questions or concerns about any of the above.
