RELEASE TO FORWARD HIGH SCHOOL RECORDS

•• No transcripts will be sent without the return of this form. ••

Due to enactment of a Federal Law defined "Family Educational Rights and Privacy Act," it will be impossible to forward any records of grades, rank, test scores, etc., to any college or university or other post-high school study programs without signed permission from parents of a student under 18 years of age or from the student if 18 years of age or older.

To facilitate sending these records, please sign below if you grant approval for forwarding such information to the institutions to which you and your daughter or son might be applying. Each application process will activate this release.

I hereby grant permission for the high school records of:
