

JOEL BARLOW HIGH SCHOOL STUDENT ACTIVITY PARTICIPATION FEE FORM

A participation fee is required for students participating in certain extra-curricular activities. These funds are used to offset stipends for coaches and advisors.

The annual Student Activity Participation Fee is \$30 per student. This fee shall not exceed \$30 per year per student, as the participation fee covers a student's participation in one or more clubs for any part or all of the school year. This fee only refers to student activities. A separate participation fee is required for interscholastic athletics, which should be submitted separately with its own form to the Athletic Office.

Student's Name: _____ Grade: _____

Below are the activities for which the participation fee is required. If your son or daughter knows any of the clubs in which s/he will be participating this year, please indicate them below. Students can join and add club memberships during the year.
