Driver's License # _____

Alternate Sibling Driver(s) _____

A parking permit is a privilege limited to students who follow the general expectations for behavior and citizenship at Joel Barlow High School. For the 2020 - 2021 school year, parking will be made available to seniors, juniors, and sophomores in good standing on a space-available basis. To be eligible and/or retain the parking privilege, students must meet the following expectations:

1. All students must arrive on time and drive in a safe and courteous manner. Speeding, reckless or aggressive driving and parking lot misbehavior are not permitted. Please be patient while awaiting entrance to and exit from the lots.
2. Parking decals must be affixed to the driver's side front window and must be visible to security staff. Parking passes are assigned to one vehicle and are not transferable. The pass is issued to the student's family car only. It cannot be shared with another student.
3. The student will park **ONLY** vehicles registered with the school and may only park in the lot(s) that correspond to the JBHS parking sticker. Students may park in any available student space within that lot, but must avoid spaces designated for faculty, staff, and/or buses. The reserved staff spaces are outlined with red lines on the pavement.
4. Students may *not* park on grass or other illegal areas. Please be aware that our lots are routinely inspected by police and zoning officials and illegally parked vehicles may be subject to tickets and towing at the owner's expense.
5. Students do not have access to their vehicles during the school day; please take all items needed for the day's classes upon entering the building. Should the need arise to access your vehicle during the school day, report to the Security Desk to request permission. Students will be provided with a security escort.
6. Leaving the grounds and/or the building without permission either on foot *or* in a vehicle is considered reasonable cause for conducting a search of the student, locker, and vehicle and may result in the suspension of parking privileges.
7. In the event that a student's car is involved in a crash on school property, the School Resource Officer (Redding Police) and Barlow Security must be notified immediately.
8. Repeated or flagrant violations of parking rules can result in revocation of the parking privilege.
9. Tardies result in administrative consequences such as, but not limited to, suspension of parking privileges, community service, and/or revocation of parking privileges. (See Tardy policy in the handbook.)
10. Violation of Region 9 Board of Education Policies may result in suspension of parking privileges. Parking privileges are suspended for the duration of social exclusion.

NEED: License, copy of car registration, permit filled out and \$75

2020-2021 Joel Barlow High School Parking Permit Registration Form

11. Students who have received a parking suspension, or do not have a parking permit, yet continue to park on campus may have a vehicle immobilizer (boot) affixed to his or her vehicle. If applied, a parent or guardian will be notified and required to meet with security at the school in order to have the immobilizing device removed.
12. Suspended or revoked parking permits are non-refundable.
13. Permits if surrendered for reasons other than policy violation may be refunded in special cases. Contact an assistant principal to make a request.
14. All students with passes who park in the stadium parking lot must exit the stadium parking immediately following the close of the academic school day to allow room for vehicles associated with the JBHS Athletics program.
15. Students are required to attend the annual JBHS pre-parking safety seminar with a parent/guardian before purchasing a parking permit. **This requirement is waived for the 2020-2021 school year due to the COVID-19 pandemic.**
16. Students must satisfy all financial obligations to the school before purchasing a parking permit. **This requirement is waived for the 2020-2021 school year due to the COVID-19 pandemic.**
17. Students with driving postponements due to excessive tardies in previous years may apply, but will need to wait until the postponement period is completed to receive their parking decals and park on campus. **This requirement is waived for the 2020-2021 school year due to the COVID-19 pandemic.**
18. Students with JBHS parking permits will be opted out of AM/PM transportation for the school year. However, if the student will not be driving to school every day, please contact the district's business manager at (203) 261-2513 to make arrangements. Should transportation ever be needed, the bus company can be contacted by calling (475) 470-0373 with twenty-four hours notice to request pick-up. In the case of inclement weather, the bus company must be notified prior to 6:00 a.m. **During the 2020-2021 school year and due to the COVID-19 pandemic, please be aware that it may take as many as 5 to 10 business days to be placed back onto a bus route. In addition, in the case of inclement weather, the bus company may not be able to provide pick-up with notification prior to 6:00 a.m. as in the past.**

I understand and agree to abide by the above JBHS parking regulations.

I agree to follow the published DMV graduated license rules (please check website - www.ct.gov/DMV).
